Here's hoping everything is going well with the City Council this evening. This is Sarah Dillon, writing as a concerned citizen.

**Paragraph Text\*:** Question to ask is in regards to Resolution 16, 2021 and Appropriation 22, 2021 [the American Rescue Plan proposals]: with so many people in our community living in fear of either being evicted or having their utilities costs skyrocketing, why is there no funding for "Negative Economic Impacts" portion of these proposals? Would like an answer prior to these bills being voted on at the December 2 meeting.

Hope to hear from you soon. Take care and have a happy holiday season.
